## **1. Statement of Housing Needs**

[24 CFR Part 903.7 9 (a)]

The Quality Housing and Work Responsibility Act of 1998 requires the PHA to set forth in out Annual Plan a Needs Assessment of the housing needs of our jurisdiction and our waiting list. Also, we are required to state how we intend to address these needs.

Attached is the information contained in the Housing Needs Section of our Consolidated Plan. It shows there is a significant need for additional affordable housing resources in our community. Also, per the requirements, we have attached data and tables that provide an analysis of out waiting list.

The information was analyzed in the following manner. We gathered data from our waiting lists and the State Consolidated Plan. Then we look at this information from the perspective of the required groups and for the factors in the Interim Rule.

The PHA used this analysis to prepare our Five-Year goals and objectives. It reflects our priorities that we have set forth in out Mission Statement.

Finally, we are required to state how we intend to address out community's housing needs to the maximum extent practical. While we wish we could meet the needs that exist in our jurisdiction, we are not optimistic about achieving this objective. The problem is that we lack the resources to address out housing needs. The PHA does not have the resources to accomplish our objectives. The Federal Government has not made a commitment of its resources to accomplish our objective. The only practical thing we can do is apply for the grant opportunities made available by the U.S. Department of Housing and Urban Development and other housing fund providers over the course of the next year.

### **A. Housing Needs of Families in the Jurisdiction/s Served by the PHA**

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

#### **ADDENDUM TO ADMISSIONS POLICY**

#### **INCOME-TARGETING, INCOME-MIXING AND DE-CONCENTRATION OF POVERTY IN PUBLIC HOUSING**

In support of HUD's policy to bring higher income families into the PHA's developments to achieve the de-concentration of poverty and the income mixing policy, the PHA reserves its authority to skip over families on the waiting list and to select applicants based on income to specifically reach another family with a lower or higher income to achieve income-mixing and de-concentration. Such skipping shall be uniformly applied, whenever necessary, to effectively meet the statutes' requirements. The PHA will apply the policy on a non-discriminatory basis at each of its sites/developments, for both tenants and applicants, to achieve greater housing choice and opportunity. Annually, the PHA will conduct an analysis to satisfy the elements of the civil rights certifications.

No exact quotas will be used to secure de-concentration levels. However, the PHA acknowledges its legal responsibility under Section 16 of the USHA with respect to income targeting which directs the PHA to admit at least 40% of new admissions annually into public housing whose income does not exceed 30% of the area median income. Other admissions must be at or below 80% of the area median income.

In addition to the above, the PHA shall retain its preference for working families and, in addition, shall take appropriate affirmative marketing efforts to further the goal of de-concentration.

The changes made by this policy addendum have considered current resident population, applicant populations, and PHA resources. In implementing these changes, the PHA acknowledges its duty to ensure compliance with all applicable non-discrimination requirements such as the Fair Housing Act, Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act and to affirmatively further fair housing.

### **ADDENDUM TO ADMISSIONS POLICY**

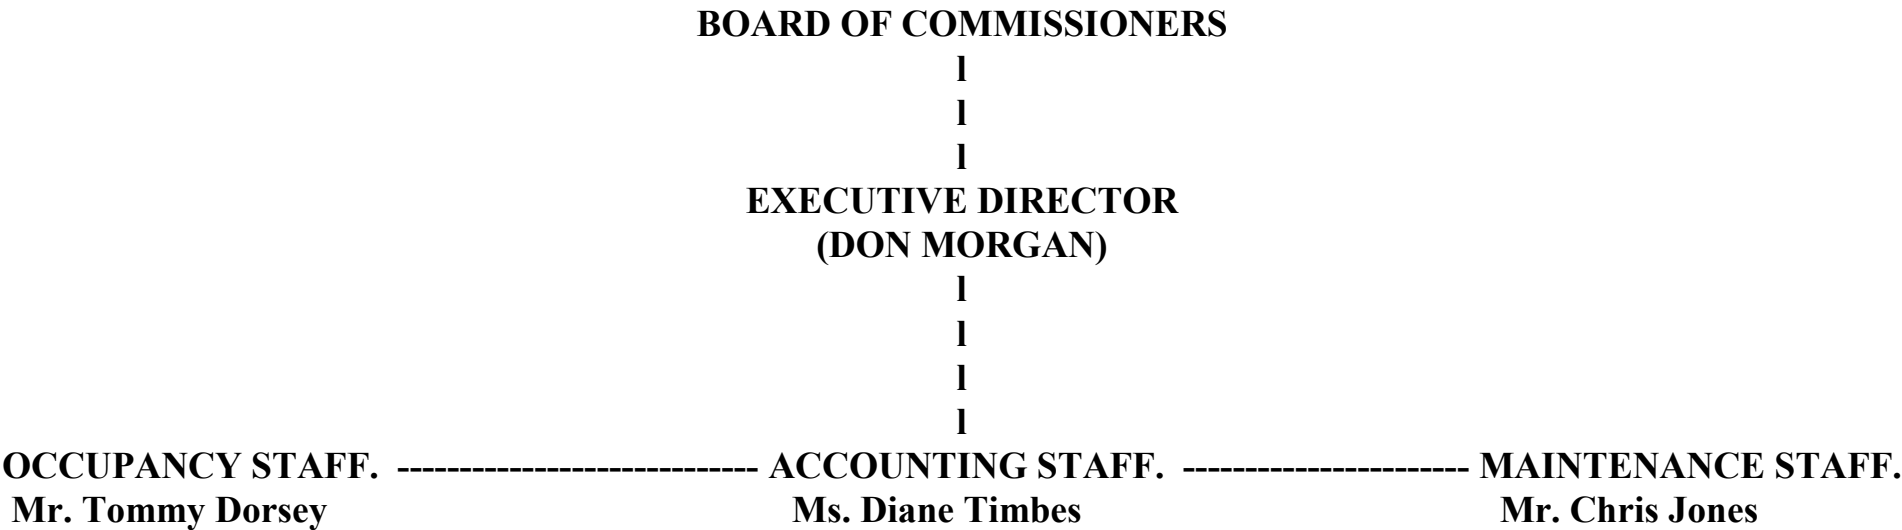

#### **INCOME-TARGETING, INCOME-MIXING AND DE-CONCENTRATION OF POVERTY IN PUBLIC HOUSING**

Pursuant to an in conformity with Section 513 of the Quality Housing and Work Responsibility Act of 1998 which amends Section 16 of the United States Housing Act of 1937 (42 U.S.C 1437), the Corinth Housing Authority hereby amends its Admission Policy for Public Housing. This policy change reflects the requirements of the U.S. Department of Housing and Urban Development's new income-mixing and de-concentration provisions by bringing higher income tenants into lower income projects and lower income tenants into higher income projects. This will attempt to avoid concentrating very low-income families in certain public housing developments.

Presently, the Corinth Housing Authority (hereinafter referred to as the PHA (public housing authority)) has six (6) public housing developments. It is the policy of the PHA to house applicants/families in such a manner that will prevent a concentration of very low-income (poverty) residents/families in any one development. A site-based waiting list for housing applicants is not an issue at these times, which is consistent with all civil rights and fair housing laws.

The PHA has analyzed that annual income of the existing residents at its development and has compared these results to statistics obtained from HUD and the 1990 Bureau of the Census Tract information. Project MS-072-001, 002, 004, 005, 006, & 008 residents have a median income of \$6,774, \$6,120, \$6,600, \$6,241, \$7,272, and \$7,986 respectfully. The local median income for the City of Corinth is \$32,800. Based upon the stated statistics, there is a significant disparity of income between the residents/families and the local area income which requires a higher income-mix of households to bring these complexes/developments closer to the median income levels of the surrounding area and neighborhoods in which the public housing developments are located.

## **ATTACHMENT F: RESULTS OF FIRST YEAR ACTIVITIES**

PHA GOAL 1: We continue to inspect all housing units annually. We have prioritized our needs for CIAP and CFP monies. We have tested apartments for LBP and asbestos.

PHA GOAL 2: We have counseled various residents on homeownership and pledged our support if they choose to pursue homeownership. We do not believe it is feasible at this time to convert any of our rental units to homeownership.

PHA GOAL 3: We have implemented flat and ceiling rents and our policy will allow a choice in rent selection. In our new lease and ACOP, preferences in housing will favor working families, homeless, elderly/handicapped and families with hardships.

PHA GOAL 4: We continue to ensure Equal Opportunity in housing for all applicants regardless of their needs.

PHA GOAL 5: Improving the physical condition of the units and grounds is a constant process. We have performed upgrades to the dwelling units and the appearance of the facilities. Additional parking spaces have been constructed and sewer drain-lines have been replaced.

PHA GOAL 6: The PHA works closely with the city and county law enforcement agencies and obtains arrest information on any tenant for necessary appropriate action. Management and maintenance attend training seminars to improve related skills. PHA assesses and changes/updates policies as needed.

## **ATTACHMENT G: SUBSTANTIAL DEVIATION POLICY**

### **Policy Defining A Substantial Deviation and Change in the Agency Plan**

The Housing Quality and Work Responsibility Act of 1998 requires the Housing Authority to notify the Resident Advisory Board, the Board of Commissioners and the U S Department of Housing and Urban Development of any “substantial deviation” or “significant amendment” in the Agency’s Annual Plan and in the 5-Year Plan proposed modernization and capital improvement activities that have been previously approved and reported to HUD.

The Housing Authority recognizes that it has a duty and responsibility to the residents, to the Resident Advisory Board, to the Commissioners and to the public to advise them of any substantial deviation or substantial change in the overall Plan and any preplanned modernization work items.

Therefore, the Housing Authority hereby defines a “substantial deviation” as any deletion or addition of any modernization work item that is greater than \$25,000; the addition or deletion of any new or old program or activity; any changes with regard to demolition, disposition, or designation of housing units; any homeownership programs or conversion activities; and any changes to rent or admission policies (except changes made to reflect changes in HUD regulatory requirements). A “significant amendment” would be changes in the use of replacement reserves under the Capital Funds program or the addition of non-emergency work items not included in the current Annual Plan that is greater than \$25,000.

The Executive Director is assigned the responsibility of making the required notifications to all interested and affected parties as described above of any “substantial deviation” or “significant amendment” to the Annual and Five-Year Plans as well as notification to the public of any material change, that is not defined above, that, in his or her opinion, should be made known to the public as good business practice.

Adopted this \_\_\_\_ day of \_\_\_\_\_, 2001

## **ATTACHMENT H: IMPLEMENTATION OF PUBLIC HOUSING RESIDENT COMMUNITY SERVICE REQUIREMENTS**

The Housing Authority is in the process of implementing the public housing resident community service requirement at this time. The Housing Authority has adopted a Community Service Policy (included as an attachment to this Annual Plan Update) and is in the process of finalizing and implementing the requirements based upon the final rule.

The administrative steps being taken and followed to achieve this is as follows:

1. Develop a Community Service Policy (completed)
2. Make the appropriate changes in the dwelling lease
3. Develop a written description of the service requirements
4. Notification of residents regarding requirement or exempt status of each adult family member
5. Enter into cooperative agreement with TANF agencies to assist the PHA in verifying status of residents, and
6. Determine whether the PHA or another entity will administer the program

The PHA is currently following these administrative steps toward the implementation of the Community Service Requirement.

## **ATTACHMENT I: COMMUNITY SERVICE POLICY**

### **COMMUNITY SERVICE POLICY**

Section 512 of the Quality Housing and Work Responsibility Act of 1998, which amends Section 12 of the Housing Act of 1933, establishes a new requirement for non-exempt residents of public housing to contribute eight (8) hours of community service each month or to participate in a self-sufficiency program for eight (8) hours each month. Community service is a service for which individuals are not paid. The Housing Authority of the City of Corinth, MS (herein referred to as PHA) believes that the community service requirement should not be perceived by the resident to be a punitive or demeaning activity, but rather to be a rewarding activity that will benefit both the resident and the community. Community service offers public housing residents an opportunity to contribute to the communities that support them.

In order to effectively implement this new requirement, the Housing Authority of the City of Corinth, MS establishes the following Policy, effective July 1, 2001.

#### **Community Service**

The PHA will provide residents, identified as required to participate in community service a variety of voluntary activities and locations where the activities can be performed. The activities may include, but are not limited to:

- Improving the physical environment of the resident's developments;

- Selected office related services in the development or

- Administrative Office;

- Volunteer services in local schools, day care centers, hospitals, nursing homes, youth or senior organizations, drug/alcohol treatment centers, recreation centers, etc;

- Neighborhood group special projects;

- Self-improvement activities such as household budget, credit counseling, English proficiency, GED classes or other education activities;

- Tutoring elementary or high school age residents; and

- Serving in on-site computer training center.

Voluntary political activities are prohibited.

#### Program Administration

The PHA may administer its own community service program in conjunction with the formation of cooperative relationships with other community based entities such as TANF, Social Services Agencies or other organizations which have as their goal, the improvement and advancement of disadvantaged families. The PHA may seek to contract its community service program out to a third party.

In conjunction with its own or partnership program, the PHA will provide reasonable accommodations for accessibility to persons with disabilities. The PHA may directly supervise community service activities and may develop and provide a directory of opportunities from which residents may select. When services are provided through partnering agencies, the PHA will confirm the resident's participation. Should contracting out the community service function be determined to be the most efficient method for the PHA to accomplish this requirement, the PHA will monitor the agency for contract compliance.

The PHA will assure that the service is not labor that would normally be performed by PHA employees responsible for the essential maintenance and property services.

#### Geographic Location

The PHA recognizes that the intent of this requirement is to have residents provide service to their own communities, either in the PHA's developments or in the broader community in which the PHA operates.

#### Exemptions

In accordance with provisions in the Act, the PHA will exempt from participation in community service requirements the following groups:

Adults who are 62 years of age or older;  
Persons engaged in work activities as defined under Social Security (full-time or part-time employment)  
Participants in a welfare to work program;

Persons receiving assistance from and in compliance with State programs funded under part A, title IV of the Social Security Act, and The disabled but only the extent that the disability makes the person “unable to comply” with the community service requirements.

The PHA will determine at the next regularly scheduled reexamination, the status of each household member eighteen (18) years of age or older with respect to the requirement to participate in community service activities. The PHA will use the “PHA Family Community Service Monthly Time Sheet” to document resident eligibility and the hours of community service. A record for each adult will be established and community service placement selections made. Each non-exempt household member will be provided with forms to be completed by a representative of the service or economic self-sufficiency activity verifying the hours of volunteer service conducted each month.

The PHA will also assure that procedures are in place which provide residents the opportunity to change status with respect to the community service requirement. Such changes include, but are not limited to:

- Going from unemployment to employment;
- Entering a job training program;
- Entering an educational program, which exceeds eight (8) hours monthly.

All exemptions to the community service requirement will be verified and documented in the resident file. Required verifications may include, but not be limited to:

- Third-party verification of employment, enrollment in a training or education program, welfare to work program or other economic self-sufficiency activities;
- Birth certificates to verify age 62 or older; or
- If appropriate, verification of disability limitations.

Families, who pay flat rents, live in public housing units within market rate developments or families who are over income when they initially occupy a public housing unit will not receive an automatic exception.

#### Cooperative Relationships with Welfare Agencies

The PHA may initiate cooperative relationships with local service agencies that provide assistance to its families to facilitate information exchange, expansion of community service/self-sufficiency program options and aid in the coordination of those activities.

## Lease Requirements and Documentation

The PHA's lease has a twelve- (12) month term and is automatically renewable except for non-compliance with the community service requirement. The lease also provides for termination and eviction of the entire household for such non-compliance. The lease provisions will be implemented for current residents at the next regularly scheduled reexamination on or after July 1, 2001, and for all new residents effective July 1, 2001. The PHA will not renew or extend the lease if the household contains a non-exempt member who has failed to comply with the community service requirement.

Documentation of compliance or non-compliance will be placed in each resident file.

### Non-compliance

If the PHA determines that a resident who is not an "exempt individual" has not complied with the community service requirement, the PHA must notify the resident of the non-compliance;

that the determination is subject to the PHA's administrative grievance procedures;

That unless the resident enters into an agreement under paragraph 4. Of this section, the lease of the family of which the con-compliant adult is a member may not be renewed. However, if the non-compliant adult moves from the unit, the lease may be renewed;

That before the expiration of the lease term, the PHA must offer the resident an opportunity to cure the non-compliance during the next twelve (12) month period; such a cure includes a written agreement by the non-compliant adult to complete as many additional hours of community service or economic self-sufficiency activity needed to make up the total number of hours required over the twelve (12) month term of the lease.

## **ATTACHMENT J: PET POLICY**

The Housing Authority is in the process of reviewing its current policy and is determining the changes that may be need to comply with the final rule of July 10,2000.

The current Pet Policy has reasonable requirements contained therein. However, the PHA is determining which, if any, changes may need to be made based upon the final rule that was published July 10,2000.

The Pet Policy is currently an addendum to the dwelling lease, and the PHA will be soon incorporating its provisions into the Admissions and Continued Occupancy Policy when it is updated.

The reasonable requirements include:

- Limitation on the number of pets,
- Evidence that the pet is neutered or spayed,
- Evidence of inoculation
- Under the control of an adult member of the household when outside the dwelling unit,
- Prohibits animals considered ‘dangerous’ by the housing authority,
- Requires a reasonable pet security deposit, and
- Prohibits breeding of pets for commercial purposes.
